

# Evidencing the impact of the Primary PE and sport premium

Website Reporting Tool

Revised May 2021

Commissioned by the  
Department for Education

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

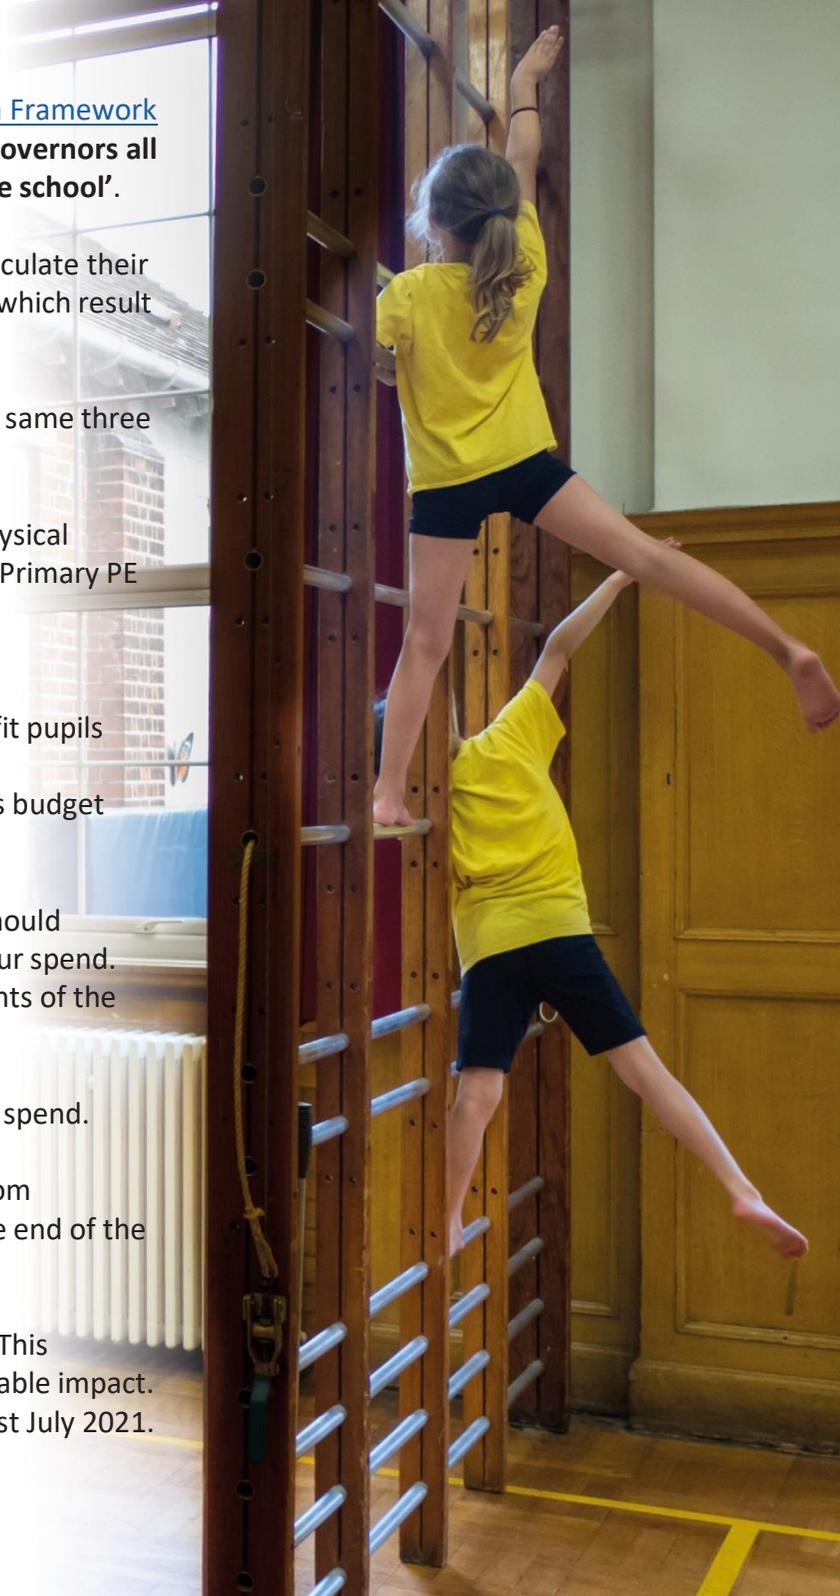

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit [gov.uk](http://gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31<sup>st</sup> July 2021** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:
<p>Participation in Leicester City SSP virtual Events including:</p> <p>5k challenge - (spirit on the games Champions)</p> <p>Basketball competition</p> <p>Cricket competition</p> <p>SportsHall Athletics</p> <p>Beat the street</p> <p>Students also participated in virtual challenges from home during school closures and in school for Children of Key Workers.</p> <p>School Games Recognition for our support, commitment, engagement and achievement in virtual programmes.</p> <p>Limited disruption to PE provision despite the Covid-19 pandemic.</p> <p>Continued safe integration of External Coaches through the pandemic providing High quality PE lessons.</p>	<p>Continue to work on developing opportunities for children who are reluctant to engage in Physical Education and extra-curricular activities.</p> <p>Continue to work towards hitting the target set by the Chief Medical Officer of being active for at least 30 minutes each day in school across all year groups.</p>

Did you carry forward an underspend from 2019-20 academic year into the current academic year? NO

**Total amount carried forward from 2019/2020      £ 0**  
**+ Total amount for this academic year 2020/2021    £ 19620**  
**= Total to be spent by 31st July 2021                    £ 19620**

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can transfer to the pool when school swimming restarts.</p> <p><b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study.</b></p>	<p>School swimming typically takes place in year 3. As part of School swimming students practise safe self-rescue techniques. Due to the pandemic school swimming has been moved to year 4. This will insure that no students will miss out on these valuable life skills.</p>
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p><b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021.</p> <p>Please see note above.</p>	<p>%</p>
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above.</p>	<p>%</p>
<p><b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b></p>	<p>%</p>
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?</p>	<p>N/A</p>
